## The Breeding Program at Sni-A-Bar Influential to National Breed Improvement

Sni-A-Bar's contribution to the improvement and popularity of Shorthorns generally cannot be measured by any single medium. Herds that are producing better Shorthorns because of the influence of Sni-A-Bar breeding stock extend from coast to coast and border to border.

Based solidly upon present day market demands, Sni-A-Bar's complete program, embracing convincing grading-up demonstrations through the use of Shorthorn sires, has helped to convince thousands of farmers of the real value of an improving sire. It is reasonable, therefore, to expect a purebred herd of producing cows at Sni-A-Bar second to none. Both show yard and sale records over a period of years prove this to be a fact.

Sires now in service at Sni-A-Bar include the best obtainable in home-bred and imported blood. Shorthorn breeders need no greater incentive to attend this 1942 annual production sale than the desire to purchase both bulls and females that will provide rich and improving new blood for their own herds. My assurance is that they will be offered in greater numbers than ever. Study this catalog carefully. It reveals breeding that has been tested by every standard in the purebred field.—Clinton K. Tomson, *The Shorthorn World*.

## Mr. Marshall's Comments On the Top Bulls In Cruggleton Aspiration's Pedigree.

**Cruggleton Captivator** won 1st and Casares Cup at the Highland Show and 1st and reserve champion to Cruggleton Beverley at the R. A. S. E. and Great Yorkshire shows, 1936, and was sold in the Argentine, 1937, for \$95,000. Sire, Cruggleton Essander 250076 by Cruggleton Colonel 236411 (winner of 1st prize R. A. S. E. show and 1st and champion Highland Society shows, 1930, he the sire of Cruggleton Beverley, winner of male and reserve supreme champion Highland, supreme champion R. A. S. E. and Great Yorkshire shows, 1934, 1st and supreme champion Highland and male and reserve supreme champion R.A.S.E. show, 1935, and 1st and supreme champion Highland Royal and Great Yorkshire shows, 1936, and the sire of Cruggleton Borderer, reserve champion to him at the Highland show, 1936, and sold in the Argentine, 1937, for \$20,000). Dam, Evana Clara 88516, by the famous 3000 guinea reserve Royal champion Collynie Royal Leader 188656, and grand dam by the 3300 guinea Balcairn Baronet 153566.

**Bridgebank Rosedene** was used successfully at Bridgebank and along with Captain MacGillivray's Calrossie Control, perhaps one of the best breeding sons of the 3000 guinea Collynie Royal Leader. He was the sire of six bulls sold in the Argentine 1932 at an average of 760 guineas and he was also the sire of the supreme champion at the R. A. S. E. show, namely Cruggleton Prideaux.

**Bridgebank Paymaster**, the greatest show bull on record, winning 1st and supreme champion at the Highland, Royal and Great Yorkshire shows. He was a son of the famous breeding bull, Gainford Ringleader, sold for 5000 guineas.

## And, He's Making Good at Sni-A-Bar

When we purchased Cruggleton Aspiration he was recognized as the best bull in Scotland of his age. Mr. Marshall, his breeder, had topped the Argentine sales of imported bulls on Cruggleton Captivator, his sire, and he considered Cruggleton Aspiration as the most likely candidate for like honors that he had ever bred. Cruggleton Captivator was the all time highest priced bull ever sold in Argentine—\$95,000.

Cruggleton Aspiration has proven all that we, or his breeder, Mr. Marshall, had expected of him as a sire of outstanding individual high quality in both bull and female get. They possess all the attributes essential to consistent breed betterment and show type, and a careful inspection of his get offered in this sale, and those we are retaining on the farm,, will bear out this claim—and we invite you to inspect them critically. They are rich in the blood of Collynie Royal Leader. Quality plus this rich infusion of the "tops" in Shorthorn breeding of the present generation should satisfy the needs of any breeder. Great credit should be given Mr. Frank Harding for selecting and bringing to America such a great bull. His influence on American Shorthorns will be lasting.

Millhills Jasper, our junior herd sire, was one of the most impressive calves we had ever seen at the time we bought him, and the way he has developed since coming to Sni-A-Bar has been no disappointment to us. He merits every expectant hope that we had in him and you will see from his pedigree that there is nothing lacking in his breeding—chock full of the most popular blood of the most prominent herds of Scotland today. Most of the heifers in this offering are bred to him, and we are using him on our producing cows for future herd use. One prominent breeder, in looking him over the other day, said: "He's the best bull Sni-A-Bar ever had." You come judge him for yourself.

The Female End of This Offering

We believe the females of this offering are, without question, the best lot that we have ever offered in any one of our sales. There's a uniform high quality of the most desirable breed characteristics from end to end that is seldom seen in one sale offering. For that reason we refrain from lengthy individual footnotes, feeling that you, the purchaser, will use your own discriminating judgment in your likes and dislikes, and that you will select and buy as you see them, regardless of what we may say concerning their individual merits. Believe us, when we say "you'll be surprised," for there's real Shorthorn quality in this lot of females. Not a one in the lot that we would not be willing to keep and use in our own herd. The majority of them are in calf to our junior herd sire, the Imported Millhills Jasper, and a few either safe in calf or with calves at foot by Imported Crugleton Aspiration.

### SNI-A-BAR EMMA 5th

Junior Champion Great Falls, Nebraska, Topeka, Hutchinson and First at Royal, Denver and Ft. Worth, and one of Undeclared Pair of Yearlings 1939. Many times a Grand Champion in 1940 and 1941, including American Royal both years and member of Undeclared Bull and Female class 1940, winners of the Thos. E. Wilson Trophy at Chicago.

Sni-A-Bar Emma 5th—It is seldom that a cow with a show record, such as Sni-A-Bar Emma 5th has acquired, is ever offered for sale. As a rule they are retained for breeding and herd advertising, but in order to have a No. 1 feature to our female offering she goes as a special attraction. Sni-A-Bar Emma 5th is not an old worn out "has been." She is just in the prime of life with her second calf at foot—a corking red heifer by the great imported Cruggleton Aspiration. Where can you buy a like combination, that will add as much popular prestige to your herd as this sale package carries?
